Man and His Planet, an Unauthorized History

By James E. Strickling

Eloquent Books. Paperback. Book Condition: New. Paperback. 258 pages. Dimensions: 9.0in. x 5.9in. x 0.7in. Have you ever come across a publication that is truly objective in its view of creationism versus evolution? MAN AND HIS PLANET: An Unauthorized History is such a work. It examines both sides of the controversy by employing each side's supporting arguments to refute its own conclusions. An extraordinary alternative fills the resulting void. It also presents an astonishing picture of Earth's history, dealing at length with natural electrical phenomena occurring in antiquity and recorded in ancient documents, the Bible among them. Such phenomena would not be obvious to the typical anthropologist or historian. But thanks to his electrical engineering background and an unfettered perspective, Strickling has shed a surprising new light on a number of ancient texts. This book will change the way you view the world without insulting or contradicting your religious convictions. You will walk away with a newly enlightened outlook of Earth's ancient past. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
