

## Through Blue Skies to Hell: America s Bloody 100th in the Air War Over Germany (Paperback)

Filesize: 6.06 MB

### ***Reviews***

*This composed publication is fantastic. This is certainly for all those who statte that there was not a well worth reading through. You will not truly feel monotony at whenever you want of your respective time (that's what catalogs are for regarding when you ask me). (Prof. Mark Ratke Jr.)*

## THROUGH BLUE SKIES TO HELL: AMERICA S BLOODY 100TH IN THE AIR WAR OVER GERMANY (PAPERBACK)

Casemate Books, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book. This book provides a comprehensive look at the air war over Europe during the climactic year of World War II, combining first-hand experience with expert analysis. The centrepiece of the work is a mission-by-mission diary of 1st Lieutenant Richard R. Ayesh, bombardier on a B-17 Flying Fortress, who flew with the 100th Bombardment Group, 13th Combat Wing of the 8th Air Force - the legendary Bloody 100th . He was a recipient of the Distinguished Flying Cross, Croix de Guerre, Air Medal with Four Oak Leaf Clusters, and numerous other medals. This book follows Ayesh s progress from his youth during the Great Depression in Wichita, Kansas, a city which at the time was rapidly becoming the air capital of the nation, to his arrival in England as a Lieutenant in a bomber crew assigned to assault the Third Reich. Once in Europe, the author provides a comprehensive look at the principles of American daylight strategic bombing, while relaying to the reader the overall military situation on the ground and in the air over Europe just after D-Day. This work is uniquely self-contained and covers all aspects of the Air War in a clear, concise, yet non-technical manner. Topics include photo-reconnaissance, munitions and bomb types, combatant aircraft characteristics, fighter tactics, bomber tactics, bomber formations, strategic target selection, combatant and defensive radars, counter-measures (and counter-counter measures), logistics, ground crews, and air scouts. The author, interweaving his analysis with the urgent firsthand diary of a participant in the Bloody 100th, describes the air war in full fashion, in the process revealing a number of insights. Throughout 35 combat missions, the unaltered combat diary of Lt. Ayesh is presented mission-by-mission, punctuated by tragedy and unbelievable heroism, with explanations and...
