When Julie skips school and sets off with her best friend and some local boys for a camping trip in the desert, she finds herself the target of unwanted, drug-fueled sexual attention. Running away in fear, she takes a dangerous fall down the shaft of a vast underground cave, and it takes two days for her to be rescued. Lying unconscious in her hospital bed, Julie hovers between life and death as she travels in a seductive parallel universe inspired by remarkable cave paintings left behind by prehistoric humans.
