Condition: New. Publisher/Verlag: Simon & Schuster UK | Mutiny, Money and Marriage in India 1805-1905 | A controversial history of the British in India, seen through the experiences of a single family, the Lows, ancestors of the author, Ferdinand Mount | A #1 international bestseller, this "epic and remarkable" (Sunday Times) sweeping history of the British in India as seen through the experiences of a single Scottish family is destined to become a classic. For a century, the Lows of Clatto-the family of the author's grandmother-survived mutiny, siege, debt, and disease, everywhere from the heat of Madras to the Afghan snows. They lived through appalling atrocities and retaliated with some of their own. Each of their lives, remarkable in itself, contributes to the whole fragile and imperiled, often shockingly oppressive and devious but now and then heroic story. On the surface, John and Augusta Low and their relations may seem imperturbable, but through their letters and diaries they often reveal their loneliness and desperation-and their doubts about what they are doing in India. The book brings to vivid life not only the most dramatic incidents of their lives-the massacre at Vellore, the conquest of Java, the deposition of the boy-king of Oudh, the disasters in Afghanistan, the Reliefs of Lucknow and Chitral-but also their personal ordeals: the bankruptcies in Scotland and Calcutta, the plagues and fevers, the tragic deaths of children. And it brings to life too the unfamiliarity of their everyday lives: the camps and the palaces they lived in, the balls and the flirtations in the hill stations, and the hot slow rides through the dust. An epic saga of love, war, intrigue and treachery, *The Tears of the Rajas* is an unforgettable read. | Format: Paperback | Language/Sprache: english | 577 gr | 198x129x49 mm | 784 pp.
