

Routledge Handbook of the Sociology of Sport (Paperback)

By -

Taylor Francis Ltd, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The sociology of sport is a core discipline within the academic study of sport. It helps us to understand what sport is and why it matters. Sociological knowledge, implicit or explicit, therefore underpins scholarly enquiry into sport in every aspect. The Routledge Handbook of the Sociology of Sport is a landmark publication that brings together the most important themes, theories and issues within the sociology of sport, tracing the contours of the discipline and surveying the state-of-the-art. Part One explores the main theories and analytical approaches that define contemporary sport sociology and introduces the most important methodological issues confronting researchers working in the social scientific study of sport. Part Two examines the connections and divisions between sociology and cognate disciplines within sport studies, including history, anthropology, economics, leisure and tourism studies, philosophy, politics and psychology. Part Three investigates how the most important social divisions within sport, and in wider society, are addressed in sport sociology, including `race`, gender, class, sexuality and disability. Part Four explores a wide range of pressing contemporary issues associated with sport, including sport and the body, social problems associated with sport,...

Reviews

Certainly, this is the finest job by any publisher. I was able to comprehend almost everything out of this published e book. You wont truly feel monotony at at any moment of the time (that's what catalogues are for concerning should you question me).

-- **Graciela Emard**

This publication might be worthy of a read through, and superior to other. It normally is not going to charge excessive. Its been written in an remarkably simple way and is particularly just after i finished reading through this book through which in fact transformed me, alter the way i really believe.
