Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Blue seas all around. Waves lapping gently at the sides of the raft. We sit in silence amidst the debris of wrappers from the now empty survival pack. Occasionally one of us begins to cry as our minds remind us of all that we ve lost. All that we may never see again. Blue skies tease us that it could be a pleasant day if the situation was different. But it s not different. It s not a pleasant day. We ve lost our friends, our family, our way, our strength - and if we re not rescued soon, our lives. When a cruise-liner goes down, four strangers find themselves trapped on a life-raft with little chance of survival in this tense, psychological horror from Matt Shaw.
