Brand New Book ***** Print on Demand *****.(Black and white version) . This guide is written for people who have little or no experience operating a computer. It provides a step by step plan for the reader to have success in operating a Kindle Fire HD 8 (5th generation) and to experience the many joys and helps that come from this magnificent device. Case Studies: One 77- year- old man in our test group has had a very serious heart operation. One hand ended up partially paralyzed and he reported he was having difficulty now lifting his paper Bible. He wanted to learn to use a Kindle. He began using the guide we wrote which is quot;Graphically Illustratedquot; step by step with both pictures and words showing how to do everything. His wife reported the following: quot;John is very impressed. He can understand everything as we go along and the pictures of each step are a life saver. What a wonderful concept!quot; An 80-year-old woman in our test group just lost her 94- year- old husband. She decided to...
