Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The US Small Business Association s \$24.2 Billion Bad Loan Portfolio sure does not help out the economy or small business Industry. It is hard enough to get funded let alone be on the back end of those who went before us, and screwed up financial opportunities we might have otherwise qualified for. If you are starting a business and do not want to be apart of the 90 failure rate statistic, then you better have some resources in your tool box to be competitive enough to beat the odds. This book will provide some of the most viable resources to help you sustain a legacy for your family. How you start is how you will finish. STARTUP 101 has the answers you need. Most of us start our business to accomplish the American Dream but unbeknownst to us there is a great warning sign out there that most of us never see until it is to late. That sign from the US Consensus that says we have a 90 small business failure rate because of the wrong business models...
