Excerpt from Indian Nullification of the Unconstitutional Laws of Massachusetts, Relative to the Marshpee Tribe: Or, the Pretended Riot Explained Doubtless there are many who think it granting us poor natives a great privilege to treat us with equal humanity. The author has often been told seriously, by sober persons, that his fellows were a link between the whites and the brute creation, an inferior race of men to whom the Almighty had less regard than to their neighbours, and whom he had driven from their possessions to make room for a race more favoured. Some have gone so far as to bid him remove and give place to that pure, and excellent people who have ever despised his brethren and evil entreated them, both by precept and example.
