Making daggers out of raindrops is only the tip of the iceberg for Brooke Bonham. As one of four women who can control the elements, her ability to manipulate water packs a deluge of potential. Eager to learn more, she s frustrated at the precautions she must take to avoid the wrong kind of attention on Earth. Kai s duties as a Lash demon have kept him busy on Earth for nearly two hundred years. Fighting? He was born to do it. Females? They re drawn to him. And Earth? The perfect place for him to avoid supernatural bounty hunters. Though the two of them mix like oil and water, Kai senses that beneath Brooke s frosty exterior hides a vortex of simmering passion. He s determined to thaw his ice princess. Forced to work together in the immortal realm, they track a rogue Lash demon at the helm of a widespread kidnapping operation. All too soon, Kai s dark past catches up to them. Time runs out as a second enemy, bent on revenge, vows to stop at nothing short of Brooke s enslavement and Kai s death. As they and their foes stalk each other in a demonic game of cat-and-mouse, will her evolving skills and their fledgling bond be enough to save them?.
