INVESTING: INVESTING FOR BEGINNERS A SHORT READ ON THE BASICS OF INVESTING (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.A Short Read To Get You Started Towards Investing! This book has actionable information on how to invest in different avenues to increase wealth. Investing is the #1 ticket to financial freedom. You perhaps understand one very important thing; being liquid does not equate to being wealthy. If you cannot put your money to good use to work for you, your chances of retiring poor are very high. The rich men and women of this world started somewhere. Even if we overlook the rich folks born affluent - their forbearers and those before them likely had to start small before they built the family empire. Starting small and making smart investment choices is the path that most now affluent people took to raise their net worth. If you want to learn how to invest, this book is the ultimate beginner investor guide. It does not matter how old you are: as long as you are willing to follow the contents discussed in this book, you will undoubtedly grow your wealth and get a little closer to financial freedom i.e. a place where you can enjoy the freedom of not having to work for money to make ends meet. The idea is to be smart and as you know, you cannot be smart without knowing i.e. without having the necessary information. If you are looking for comprehensive information to get you started in the journey to building an empire, this book is what you need along the way. You will discover the different avenues you can invest in, how to deal with risk and much more to ensure your journey to building wealth is seamless. Here Is A Preview Of What...
