Reviews

Absolutely essential read through ebook. Better then never, though i am quite late in start reading this one. I am just delighted to inform you that this is actually the finest ebook i actually have read through during my own existence and might be he greatest publication for actually.

(Ms. Vernie Stracke)

RAVE ART: FLYERS, INVITATIONS AND MEMBERSHIP CARDS (HARDBACK)

Carlton Books Ltd, United Kingdom, 2015. Hardback. Book Condition: New. 236 x 190 mm. Language: English . Brand New Book. In the mid- to late 1980s rave culture developed. It influenced music, design, art, drugs, fashion, language and even the law. Emerging in the USA, it was refined in the UK by people who wanted to dance, party and express themselves in terms of art, music and culture. Originating in small, sweaty clubs and growing into enormous Raves with tens of thousands of people, house music and ecstasy were the driving forces behind what turned into a global phenomenon. Events that started as secretive nights in underground clubs, with word-of-mouth advertising grew from one-off take-overs of unusual venues into huge open land-based events. Pager and telephonic communication became the medium of message-passing, and flyers were key to it all: informing the right people about the right place at the right time. Chelsea Berlin was there from the beginning, attending many of the now legendary events, from Club Shoom to Energy and beyond. In Rave Art, the whole exciting movement is documented through the flyers that were handed out freely (or sometimes privately) to inform partygoers of the next venue. Flyer design became an artform, and this book contains hundreds of the most significant and rare examples from Chelsea s huge collection. Rave Art paints a vivid picture of what is probably the last significant youth culture movement of modern times.
