

## Black Codes (Paperback)

---

By Thalia Edwards

Thalia Edwards, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is not your typical book of poetry. You will not read about love between two lovers. You will not read about heartbreak. You will not read about sex. You will read about love. The kind of love that some of us are born with. The kind of love that is passed down for generations. The kind of love that is truly blind. The kind of love that strengthens character. The kind of love that brings awareness relentlessly. A picture will be painted through words. It is not a pretty picture; however, it is an honest picture. The beauty comes afterward, when stereotypical judgment loses its strength and unconditional love redeems its power. I am inherently passionate about who I am and where my family comes from. I am committed to empowering our youth in both black and Latino communities. This is love.
