Little, Brown Book Group, United Kingdom, 2017. Hardback. Condition: New. Language: English . Brand New Book. Taunt, tense and very clever. Definitely one to watch out for in 2017 Claire Douglas, Sunday Times bestselling author of Last Seen Alive. For fans of The Girl Before, Behind Her Eyes and The Couple Next Door, The Choice is a hypnotic suspense debut from a remarkable new talent and explores the terrifying Sophie's Choice scenario: What if you had to choose between your children? Then: Madeleine lived for her children. She'd always believed she'd die for them, too. But on the morning of her twins' tenth birthday her love was put to the test when a killer knocked on their door and forced her to make a devastating choice: which child should live, and which should die - her son, or her daughter? Now: Madeleine stands silent on the periphery of her now fractured family, trying desperately to unravel why her world was so suddenly blown apart. But while everyday life continues around her, memories of everything leading up to that tragic day return in agonising flashes. And that's when she realises her family's life still hangs terrifyingly in the balance.
