## WHAT THE DOCTOR ORDERED (LIMITED EDITION ~ SIGNED X 2)

Centipede Press, Lakewood, CO, 2013. Hardcover. Condition: New. Dust Jacket Condition: New. McCarty, Brian (illustrator). Limited Edition. **\*\*SIGNED COPY\*\*** Brand New, Beautiful and Unread First Edition/1st Printing, issue limited to 250 copies each signed by author Michael Blumlein and the artist, Brian McCarty to special limitation page in rear of volume. Introduction by Rudy Rucker. A high quality production typical of Centipede Press' meticulous attention to detail: three-piece cloth-over-boards construction with head and tail bands and integral ribbon place marker; full-color pictorial dust jacket by Brian McCarty printed on Mohawk Carnival stock. Written over the course of three decades, these remarkable stories showcase the breadth and power of Michael Blumlein's vision. By turns prescient, poignant, haunting and humorous, they consistently amaze and delight. They are powered by sex, romance, pleasure in all its forms, anguish in some of its forms, ambition and music. Michael Blumlein is the author of "The Movement of Mountains," "X,Y," "The Healer," and, most recently, "Ageless." He is also the author of the award-winning story collection "The Brains of Rats." In addition to writing, Dr Blumlein practices and teaches medicine at the University of California at San Francisco. Blumlein is nothing if not humane and just. And funny. His signature wit is on full display. The man is a born barker, a pitchman for the weird, the provocative and the ridiculous. He's a nature boy. He's sentimental. He's a student and a biology geek. Undeniably, the stories themselves are exemplary, and the literary excellence they embody is embellished immeasurably by the illustrious illustrations of contemporary artist and photographer, Brian McCarty who is increasingly becoming known as an underground force majeure for his work with toys, which he cleverly integrates into real-life situations through the use of forced perspective in carefully crafted photographic scenes. Although his fanciful...
