AMERICAN PAINTING TODAY (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from American Painting Today Every book which has an innate significance, seems simple because hard work and inspiration have eliminated all unessential material. The idea for this book was an outgrowth of many dynamic discussions held by the Artists for Victory, during World War II. One of these discussions gave rise to a plan to help the creative artists in this country to recognition. It was this concept of awakening the public to the high quality of the work of our artists which gave rise to the idea of a Library of Creative American Art, initiated by this volume. It was not the intent in such a library to establish what might be called an American Style inasmuch as style at its best, is an unconscious quality springing from the beliefs and emotional responses of the individual artist. Indeed, the whole world of today is a source of inspiration to the creative artist. He may be influenced by American Colonial art, by the modern developments in Europe, by Primitive Negro sculpture, by the art of the South Sea Islands or the paintings of India, Iran or Japan. Thus, the paintings reproduced here cover a wide range of expression from the sincere realism of John Sloan to the so-called pure abstractionism of Joseph Albers. In selecting work for reproduction in this book, it was decided that a committee of eminent Museum Directors from many sections of the country would be best qualified to make intelligent choices. This decision was in harmony with what a well-known Chicago critic once said, It is for the museum to hunt out the new talent and to invite it, on the basis of a catholic taste and...
