CreateSpace Independent Publishing Platform. Paperback. Condition: New. This item is printed on demand. 224 pages. Dimensions: 8.0in. x 5.0in. x 0.6in. Grady Hardy is a happy man. He's living with the woman of his dreams and his family is settled for a change. Sophie Lane never envisioned the life she's living, but she wouldn't trade it for anything. Still, she wants more including marriage. She just doesn't know how to broach the subject with Grady. Sophie's past comes back to haunt the couple when Grady's brother, James, presents her with a gift. After the death of her parents when she was a child, Sophie thought she lost all of their earthly belongings. James is a magic worker, though, and he gives Sophie something she never thought possible. Unfortunately for Sophie, those items come with a curse. She's spent years trying to block her time in foster care from her memory, but things are about to come roaring back and trouble is attached. The Hardys have to work together when Sophie's past overlaps with a big story in her present and ultimately proves a danger to her future, and Grady is going to need every ounce of courage in his arsenal to save the woman he loves and give her happily ever after at the same time. It's all hands on deck for another Hardy Brothers Security romp, and love and passion take top billing, even when danger is afoot. This item ships from La Vergne, TN. Paperback.
