Catalogue of Books on the Pedagogical Section: Of the University Library (Classic Reprint)

By Unknown Author

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Catalogue of Books on the Pedagogical Section: Of the University Library The first edition of this catalogue having been exhausted within a year of its publication, advantage has been taken of the issuance of a new edition to make some important additions to the copy. These additions consist, in the main, of the following: (1) Over two hundred new titles, of books placed in the Library since the former list was prepared; and (2) Notices of the more important papers included in some of the principal State reports. A few, unimportant errors discovered in the first edition have been corrected. The preparation of this revised catalogue is mainly the work of Miss Annie W. Brewer, student assistant in Pedagogy for the latter half of the year 1894-95. Like the first edition, this contains the titles of those books only that are to be found in the pedagogical section of the Library - alcoves LL and MM. Many works having a more or less direct bearing upon pedagogical problems are to be found in other divisions...

Reviews

A high quality ebook along with the font employed was fascinating to read. It really is written in easy phrases rather than confusing. I am just easily can get a satisfaction of looking at a composed publication.
