## A MOTHER LIKE ALEX: ONE DEFIANT WOMAN. NINE SPECIAL CHILDREN.

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, A Mother Like Alex: One Defiant Woman. Nine Special Children., Bernard Clark, An inspiring true story of a life devoted to helping Downs children. Alex Bell is a 53 year old woman who lives in Swinton, on the outskirts of Manchester. She is feisty, funny with a real firecracker of a personality. She has needed that strength of character for Alex is the adoptive mother of 8 children with Downs Syndrome or other disabilities, children who some parts of society would perhaps prefer to forget. Age 28 and unmarried, Alex adopted her first Downs child, Matthew - and became one of the first people in the UK to be approved for adoption as a single woman. Amazingly, she went on to take eight more children under her wing, Simon, Adrian, Nathan, Andrew, Chloe, Tom, Emily and Callum. Some had been through a frustratingly bureaucratic care system, or moved from one foster parent to another. It sometimes seemed an impossible challenge, but Alex was determined to give these children stability, love and the best life possible. With her down-to-earth charm, Alex also brings together the families often torn apart by Downs. She encourages the birth families to get together - some of whom have sadly turned their backs on their son or daughter, but others have now long been happily involved in their children's lives. The nine children each have unique, sometimes heartbreaking stories, but they are also the most joyful, compelling and fascinating children you're ever likely to meet: \* Happy-to-lucky Matthew, 24, who takes people on tours of Man. Utd - the only Downs child to be given such a privileged position, and testament to Alex's care \* Adrian, the family timekeeper and numbers wiz, as if born with a clock..
