Thoughts on Interaction Design, Second Edition

By Kolko, Jon

Morgan Kaufmann, 2011. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "This book is a thoughtful discussion of design as a socially interactive medium rather than a book that presents the reader with a prescriptive set of rules and methods to provide "usability and ease of use." Its language is often academic. But for any designer who wishes to learn more about design and its philosophical implications, this book will provide food for thought." -- ACM Computing Reviews "In writing Thoughts on Interaction Design, the author "s reflective, learned, and articulate exploration has simultaneously provided an entire profession with a rallying point, a claim to credibility, and a vision. When we look back on the formative years of Interaction Design as a distinct endeavor, this book will surely be recognized as the seminal work." - Steve Baty, Principal, Meld Studios "Jon is an important voice in the evolution of interaction design. In Thoughts on Interaction Design, he carefully explains the essential qualities of the discipline and its potential role in world, well beyond the design of user interfaces. If you are concerned with shaping the future, solving big problems and creating things and systems that...
