Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1917-01-01 edition. Excerpt: . the severity of the past winter in Europe, the native labourers in this contingent had been singularly free from pneumonia. Cerebrospinal Meningitis has broken out in the camp of Spotted Fever the German native prisoners of war. in Nyasaland. There have been some severe cases and several deaths. The effect of an epidemic would be serious, as the mortality from this disease among natives is usually high. A circular has therefore been sent round to employers of labour in the Zomba district notifying them of the outbreak and requesting them to take every precaution. Should any suspicious case of illness occur the nearest medical officer is to be advised. A meeting was recently held in Khartum, at which it was A Scientific Journal decided that a scientific journal be started for the Sudan. dealing with Sudan Anthropology, Languages, Geography, Natural History, and other...

### Reviews

*Extremely helpful to all class of individuals. It really is written in straightforward terms instead of difficult to understand. I am just happy to explain how this is the finest publication I have got read inside my own lifestyle and might be the very best ebook for possibly.*

-- **Dr. Meta Smith**

*A must buy book if you need to add benefit. It is really simplified but shocks in the 50 percent of the pdf. I found out this pdf from my i and dad recommended this publication to learn.*

-- **Zetta Armstrong III**
