Filesize: 2.94 MB

Reviews

Extensive manual for publication fans. It is actually filled with knowledge and wisdom You can expect to like how the author compose this pdf.

(Alvina Runte PhD)

LIKE A TREE: HOW TREES, WOMEN, AND TREE PEOPLE CAN SAVE THE PLANET (HARDBACK)

Conari Press, U.S., United States, 2011. Hardback. Condition: New. Language: English. Brand New Book. Like a Tree grew out of bestselling author Jean Bolen s practice of walking among tall trees and mourning the loss of a Monterey pine that was cut down in her neighborhood. The book will appeal most to people who realize that they are tree people. It is poetic, educational, inspirational, spiritual, and down to earth, covering the subject of trees from anatomy and physiology to trees as archetypal and sacred symbols. It is also a strong and positive call to ecological activism, with stories of the organizations and tree people who are trying to save our forests and the planet: Greenpeace s Kleercut campaign to save the Boreal Forest, Wangari Maathai s Greenbelt Movement, Julia Butterfly Hill s campaign to save a California Redwood. Bolen offers a unique vision based on metaphysics, psychology, mythology, and global gender politics. She writes eloquently about deforestation, global warming, and overpopulation, as well as the work of Amnesty International and the UN Commission on the Status of Women. The publisher will donate a tree for every book sold.
