Reviews

This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).
(Imogene Bergstrom)

St Martin s Press, United States, 2011. Paperback. Book Condition: New. Reprint. 168 x 107 mm. Language: English . Brand New Book. Cranky yet lovable Agatha Raisin has always been ambivalent about holiday cheer, though her cozy village of Carsely has long prided itself on its Christmas festivities. Until now. This year, local Health and Safety Board officer John Sunday is threatening to undo some of Carsley s most time-honored traditions. The tree on top of the church? A public menace. The decorations hanging on the lampposts? Hazardous. Even May Dimwoody s homemade toys are deemed unsafe for the children. Bah humbug! The Carsely Ladies Society is in an uproar and will do anything to put a stop to this Scrooge only to find that someone else has done it for them with a kitchen knife. Soon Agatha s detective agency is on the case. But when a man has made as many enemies as Mr. John Sunday, it s hard to know where to start or how to stop the killer from striking again.M.C. Beaton s Busy Body continues the wildly popular Agatha Raisin mystery series.
