Sun Dogs Creations, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. For centuries, Assisi, Italy has been the focus of spiritual activity. The ancient city might be best known as the birthplace of Saint Francis, yet the tangled streets offer much more than a pilgrimage. Situated in the Province of Perugia, the compact city perches in Monte Subasio National Park on the Apennine Mountains. The views from nearly anywhere in the ancient city are spectacular. Mists rise up from the olive groves early in the morning. Soon the rays of the sun pierce the air and slant across the valley below. Walking trails wander for kilometers outside the city's stone walls. A shady park perched near the very top of the town offers a restful spot for contemplation. Several times a day, the bells of the various churches ring out, while flocks of silky black jackdaws call while wheeling overhead. Today Italy in general and Umbria in particular are striking places for tourism with unique architecture, a mild climate, and Mediterranean culture. The cuisine is renowned, and fresh pasta dishes spiced with tomatoes, meats and fish, pecorino and parmesan cheeses, and olive oil can be found at inexpensive restaurants. Travel tips and facts about wildlife, food, rental cars, camping, adventures, travel and tourism, cultural tours and more are easy enough to find on travel sites like Expedia or Travelocity. Entire trips can be planned using guidebooks like those from Lonely Planet. Now visitors to Italy can expand their knowledge base with an artist's view of Assisi, Monte Subasio, and scenic locations. The forty color photos in Ancients of Assisi I explore these areas as well as the secret Assisi, the Roman city hidden below the buildings. The photographs in Ancients of...
