This isn't the first time he's yearned for Cammie Spencer. despite family drama and a web of deceit having nearly sealed their fates, Holden refuses to give up without a fight. After an unexpected turn of events, Cammie Spencer starts to wonder if there is more to life than being high society arm candy and whether her fiancé, Oliver, is the man for her. There's no denying Holden's always made her hot, but over the years, he's become the most tempting form of forbidden love. Holden's only obstacle now is proving he's more than the cocky bad boy she's pegged him for. Can he finally show her that their past doesn't have to define their future? Will he be able to not only win her date, but her heart, before she marries the wrong man?.
