Manohar Publishers & Distributors, 2004. Hardcover. Condition: New. 5th or later edition. The object of this classic memoir is to furnish a general view of all the surveying and other geographical operations in India from their first commencement; in order that, in reading reports of current work, ready means of reference to the previous history of each branch of the subject may be a hand. In case it should be desired to follow up an enquiry into the details of any particular operation or series of operations, the references in the foot notes have been made as copious as possible.
