Broadway Play Publishing Inc.,U.S., United States, 1997. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I sat in a theater at the Humana Festival last year, after the closing monologue of ONE FLEA SPARE, unable to move. I had known Naomi Wallace s work well, having directed an earlier play, and I knew she had tremendous talent and promise to do great things. Nothing had prepared me - not my admiration for her plays and for her beautiful, harsh, moving, brilliantly political poetry - for the experience of watching this play, which is in my opinion one of the finest works of dramatic literature written here or in England in the last two decades. Everyone who loves the theater should read this play. It has made me INTENSELY envious and very full of joy. -Tony Kushner Naomi Wallace sharply tightens her focus in this latest, thrillingly original work, set for the most part in a virtually bare London room...
