WestBow Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Seeking Wisdom From God is a must read for anyone who is hungry for the meat of Gods Word. With our advances in understanding the ancient Hebrew and Greek languages coupled with the dissecting of Scripture using historical, textual, and literary analysis, knowledge has increased exponentially. However, knowledge always increases faster than wisdom, and because of this, we have a glut of biblical knowledge and a shortage of wisdom. We need to know less and understand more. This book chronicles the results of a heart and mind that learned early in life to go to the heavenly Father for understanding. It is a personal twenty-six-year case study of the faithfulness of God, who will give wisdom to anyone who asks. Seeking Wisdom from God: A Quest for Truth is both a traditionally Christian and surprisingly revolutionary book. Using the premise that Gods message is like a jigsaw puzzle, Walker reassures the reader that eventually all pieces will fit to form the beautiful portrait of God s love. He proceeds, then, in a logical fashion to take the reader through a series of scriptural concepts that build a convincing argument.
