Reviews

A really awesome publication with perfect and lucid reasons. I was able to comprehend every thing using this published e.pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.
(Prof. Patsy Blanda)

THE DECORATION OF HOUSES

Dover Publications Inc., United States, 2015. Paperback. Book Condition: New. Facsimile ed.. 226 x 152 mm. Language: English . Brand New Book. Thousands of books on interior design have come and gone since the 1897 publication of this pioneering manual, but *The Decoration of Houses* remains, thanks to the insightful and inspiring advice of its co-authors. Before she became the Pulitzer Prize winning author of *The Age of Innocence*, Edith Wharton was a society matron, remodeling a summer home in Newport, Rhode Island. With the able assistance of architect Ogden Codman, Jr., Wharton assembled this corrective to the rampant vulgarity of her nouveau riche neighbors. Wharton and Codman defied the excesses of the Gilded Age, counseling readers to reject the popular penchant for clutter in favor of simplicity and balance. More than an engaging item of period charm, this historic guide offers examples of design rooted in architectural principles. Black-and-white photographs illustrate the authors' ideals of classic beauty, depicting grand ballrooms and spacious boudoirs as well as the elements common to homes of every size and era: doors and windows, walls and ceilings, floors, halls, and stairs. One of the genre's most important and influential titles, this volume sparked a Renaissance in American interior design, and its sound advice and practical approach remain forever in style.
