James J. Hobart, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Have you ever wondered how investors, businesspersons, and entrepreneurs became billionaires out of the Financial Crisis of 2008? Have you ever pondered why there were more millionaires created out of the Great Depression than at any other time in U.S. history? How did these successful people do it? The majority of successful crisis investors are not the speculators on Wall Street; a crisis speculator has the same odds of winning as a gambler in Las Vegas. The majority of crisis investors are ordinary people, like you and me, who protected their family and capital from a crisis, bought distressed, undervalued assets during the crisis, and generated new innovative products, businesses, and industries that changed the world for the better. My purpose for this book is to educate, inform, and raise awareness to help individuals protect themselves from a crisis, and to better their livelihood and community. Read my thoughts of a crisis in 2016, 2017, 2018.
