It depicts loneliness, death and discrimination. He also shares some humor to uplift the soul. Darryl s previous work which is entitled From The Outside Looking In encouraged Darryl to continue to spread the spoken word from within his eyes and experiences. Darryl s poetry will definitely give all the opportunity to glance at the world and evaluate reality as it truly is. In Darryl s first book he boldly shared with you the first chapter of his novel Gangsta. It was chilling, thrilling and it is very much anticipated for release. As you read Darryl s poetry you will understand the trials and tribulations that exist in the communities and as to the world. Great Book, Shocking, truthful and revealing, Maya Angelou would be proud Shining Star Entertainment I was overwhelmed with Darryl s expressions; I wept and felt the passion in his writing, so strong so powerful so truthful. Break Through Records.
