## FISHERMAN S PIE - AN ANGLING SYMPOSIUM (PAPERBACK)

Read Books, United Kingdom, 2008. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Originally published in 1926. Many of the earliest books, particularly those dating back to 1900s and before, are now extremely scarce and increasingly expensive. We are now republishing these classic works in affordable, high quality, modern editions, using the original text and artwork. EDITORS NOTE: IT is a commonplace to speak of the freemasonry of Anglers, but the spirit of mutual helpfulness was never better exemplified than in the collection of monographs which make up this volume, The writers have voluntarily placed their knowledge and experience at the disposal of all, and on behalf of the large community of beneficiaries I desire publicly to thank these authors for so freely assisting others to improve their knowledge of fish and fishing tackle, which must in the end result in better sport. I take the opportunity also to thank those who kindly provided the photographs, in particular Mr. J. Arthur Hutton and Mr. J. Edwards Moss, who gave me carte blanche in the use of their unique collections.
