iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Putting My People on Blast is and will always be a honest antidote for unacceptable slavery. If digested properly, PMPOB , should have the masses recognize the danger and consequences of not being truly conscious. The Honorable Elijah Muhammad taught that if one is not a part of the solution then you are a part of the problem. I see and have seen too many young Black/Brown casualties (underage boys getting high, young boys stealing and destroying everything not nailed down and 13-17 year old girls having these babies, etc.,) to these mean city streets. I ve been told numerous times that I act like someone s Daddy. Well, if I just sit on my ass and do nothing, then I can t complain or cry at Daquan going to jail for robbing a grocery store and killing 2 innocent persons. Putting My People on Blast wants to initiate Love, offer hones knowledge and touch many, many lives!! Watch out for Volume 2.
