Apeople Publishing, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Can a fake engagement lead a skeptical billionaire to honest love? Hannah Scott's bucking the southern small town mindset. She's not going to settle down and marry a man who spends his days working in the local milk factory and then have a couple of children. She's come to the big city to stake her claim on freedom and independence. Robert Redfern is the equivalent of Auckland royalty. He's been groomed to be the CEO of the family empire all of his life. But when he discovers that part of the requirement to maintain his position is that he take a wife, Robert's not too happy. When the curvy and attractive, Hannah Scott crosses his path, Robert seizes the opportunity to strike a bargain with the attractive redhead that will bring them both what they want. But, what neither of them anticipates is their magnetic attraction to one another. Can the boss and his executive assistant keep their dealings purely professional?.
