Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Pillars of Hercules, Vol. 1 of 2: Or, a Narrative of Travels in Spain and Morocco in 1848 I did not visit Morocco or Spain on any settled plan. I was on my way to Italy by sea, and passing through the Straits of Gibraltar, was so fascinated by the beauty and mysteries of the adjoining lands, that I relinquished my proposed excursion for the explorations which are here recorded. Barbary, to the attraction of the unknown and the original, which it shares in common with China and Japan, adds that of association with the country which, of all others, has a claim on our affections - Canaan. With Barbary also is interwoven the history of various races, great, ancient, and mysterious: the Canaanite, the Hebrew, the Highland Celt, and the Saracen. It has become the last refuge of the Philistine. The Jews, in other countries, by adopting the habits of strangers, have lost their type, which is to be seen alone in Barbary, where Judaea, effaced in Asia, doubly survives. Here must we seek the living interpretation of the Scriptures; here may we find insight into early things. The connexion of the Scotch clans with Barbary depends on no ethnographic affinity, but their passage through, and sojourn in, this land, reveal the history of their wanderings, and explain the peculiarities of their race.
