Eric Fulton, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Since the dawn of time, fire has been the essence of light, protection, and destruction. As an ally and savior, it has built the mightiest of citadels, empires, and countries. As an enemy and destroyer, it has consumed everything it touches. It was prophesied in the Ancient world, that the destruction of Earth, as we know it, would come in the form of fire. But what if fire was the essence we needed to save this world? During the early 1970 s, after segregation, an unlikely bond formed between an African America boy named Billy Smalls and Caucasian girl named Mariah Clover. Though segregation was over, the southern town of Stone Mountain, Georgia held on to many of their racial ideologies. Though their friendship faced many obstacles, Billy and Mariah formed a bond of undying love. At the center of Stone Mountain s economy is a nuclear power plant that is owned by a business tycoon who inherited his father s wealth. Needing to make his own mark on the world, he does whatever it takes to gain more control and power. After him and Billy s paths cross, they are effected by a nuclear disaster that changes the fate of the world as super human powers emerge and evil tries to conquer it. However, in the midst of evil, a hero is born with the power of the sun. Despite having super powers, treachery and betrayal awaits around every corner. Though young, this hero journeys into the unknown to protect and save the world. Will this hero be ready for the world s greatest adversaries, or will everything be consumed by evil?.
