### Reviews

It is great and fantastic. Sure, it is actually perform, nevertheless an amazing and interesting literature. Once you begin to read the book, it is extremely difficult to leave it before concluding.

#### THE WOMEN'S LAND ARMY: 1939-1950

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Women's Land Army: 1939-1950, Bob Powell, Nigel Westacott, This book brings together a wealth of black and white pictures which together record not only the operations of the Women's Land Army (WLA) but also scenes of the countryside between 1939 and 1950. Drawn from the worldwide albums of many ex-land girls at a time when film was rationed and photography monitored, this collection offers a fascinating insight into the people and places associated with the WLA. Many of these photographs have never been published in book form and so offer a unique record of the organisation. Every image is captioned, providing names and dates where possible, and revealing historical anecdotal detail which gives life to the scenes and personalities captured through the camera lens. Presenting training, occupations and the social activities of the Land Army women, this absorbing collection will not only evoke many wartime memories, but will also inspire readers through these images of hope, strength and unity.
