Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Dignity and Duties of the Priest; Or, Selva: A Collection of Materials for Ecclesiastical Retreats, Rule of Life and Spiritual Rules We begin the series of works composed especially for the clergy. The work that comes first appeared in 1760 after the True Spouse of Jesus Christ, when the author had attained the age of sixty-four. It is the fruit of researches and of studies that he had made during nearly forty years, either for the purpose of regulating his own conduct, or of directing ecclesiastical retreats, and exercises which, by order of the archbishop, he preached for the first time to the clergy of Naples, in 1732, when he had been a priest only six years. He was then regarded as a model for imitation, and as a master worthy of being intrusted with the duty of educating ministers of the sanctuary of every grade. This book is one that has had most success, thus giving us a high idea of the good that it has effected. It was at once translated into the principal languages of Europe. There are at least five translations of it in French, among which the translation by Mgr. Gaume, an author of very many valuable works, deservedly holds a high rank.
