NAVIGATING LIFE: FOUNDATIONS FOR FAITH (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This book serves as a basic introduction to the topic of Christianity with those who come from disparate backgrounds. It is a genuine attempt to discuss theological and philosophical issues with those who are new to the study. Intended as an introduction to the topic (a simplified systematic Christian doctrine), the book begins with a challenge to talk the talk and ends with a challenge to walk the walk. This would be an excellent introduction to the topic of Christianity for a novice as well as a refresher for mature Christians who want to reignite the flames of thoughtful faithfulness. The text is helpful to stimulate thoughts and questions that might result in deeper investigation and conversation.
