Olympia Publishers, United Kingdom, 2017. Paperback. Condition: New. Language: English . Brand New Book. The series of fairy tales about the starry Land of the Zodiac is a series of meditation fairy tales . Meditation fairy tales is an expression, used by the author, to describe a method of Complex Fairy Tale therapy(c), (author - Tatiana Zinkevich-Yevstigneeva). These types of fairy tales aim to relax, to bring positive images to one s imagination, to promote self-motivation, to feed energy to positive emotions and to release anxious feelings. In this series of fairy tales, positive images of the constellations have been used, to enable children and adults to learn more about themselves, about the world of people and the world itself. The stories are presented by the Starlight Fairy, who not only tells the fairy tales, but also suggests an excellent selection of tasks and gives good advice.
