Baker Publishing Group, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. A Fresh Theological Account of the Person and Work of Christ The literature on Christology is large and ever-expanding. The same is true for work on the atonement, which has blossomed in the last decade. Few studies attempt to connect the dots between these two theological topics, however. In this volume, respected theologian Oliver Crisp offers a fresh analytic-theological account of the person and work of Christ, focusing on the theme of union with God Incarnate. Along the way, he engages a range of contemporary and historic Christian thinkers and tackles a number of key issues in contemporary discussions. Wide-ranging and carefully argued, this unified account of the person and work of Christ will be of interest to scholars and students of Christian theology.
