CONTEXTUAL THEOLOGY FOR THE TWENTY-FIRST CENTURY (PAPERBACK)

Wipf Stock Publishers, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Description: Scholars from the United States, Latin America, and Oceania reflect in this volume on the importance of contextual theology for our twenty-first century. Contextual theology offers fresh voices from every culture, and not just from the West. It calls for new ways of doing theology that embrace cultural values, but at the same time challenges them to the core. And it opens up new and fresh topics out of which and about which people can theologize. If the church is to be faithful to its mission, it needs to provide a feast at which all can be nourished. Endorsements: Rarely do collections of contextual theology deal with both specific contexts and more general questions of contextual method. In this compact collection every essay grapples with both aspects in a lively way. It is on the forefront of missiological thinking. A significant book with some real gems, particularly for Australasia and the South Pacific, but ranging beyond the region. --Ross Langmead Dean and Professor of Missiology, Whitley College, Melbourne College of Divinity, Australia I have been looking for such a book! The eight essays in this volume provide challenging, fresh insight for our theological agenda. It addresses critical issues on both method and content for contextual theology today. --Philip Gibbs, SVD Commission for Social Concerns, Catholic Bishops Conference, Papua New Guinea Contextual Theology for the Twenty-first Century demonstrates how contextual theology should shape the work of contemporary theologians and missiologists. The different authors convincingly argue that contextual theology is not an option, but a theological imperative as Christian churches respond to the challenges of being disciples of Jesus in the postmodern, postcolonial world. One of the book s strengths is the...
