Carlton Books Ltd. Paperback. Condition: new. BRAND NEW, "FHM" True Stories 2, FHM True Stories was one of the funniest books ever published. Stories of disaster, embarrassment and bad luck are always great when they happen to someone else and you can read about them from the comfort of your own toilet seat/armchair/private jet. So, we've put together another one! True Stories 2 is a new collection of garish, gruesome and downright grotesque true stories, all supplied by the readers of the world's best magazine - FHM. And not content with a fantastic selection of True Stories, we've also included material from two other great FHM institutions: Out of the Mouths of Babes and Ladies' Confessions. The first features words of wisdom from the fairer (and not always smarter) sex, the latter candid true confessions from women that will have your face burning! It all adds up to another hilarious book from FHM and Carlton Books Ltd.
