Createspace, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. If you are serious about changing your mentality to reflect the mind of Christ, this devotional e-book is for you! If we never think different, our lives will never be different. Simple concept right? As a man thinks in his heart, so is he. (Prov.23:7a) It is for this reason, our mindset must continually have the ability to break limitations and expand its capacity to transform our lives. Ephesians 3:20 states that God is able to do exceedingly, abundantly, above all we could ask or think according to the power that works within us. If this is so, it seems the only cap on the power of God is due to our mental limitations of allowing that power of God to work within and through us. It is time to take off the limits! In this e-book, we go through the following areas of a Mentality Breakthrough: The ability to think and receive God thoughts How not to argue with the Voice of the Holy Spirit Keeping your mind more in line with the truth rather than the facts How to fight negative thoughts immediately Develop your imagination to aid the moves of the Spirit Keep your memory sharp How to change your ways of thinking and lifestyle when required Develop a inside-out decision making Can-Do mindset This e-book is concise, and yet jam-packed with information and practical steps. If you have read Spirit Life Training, and appreciate the step-by-step exercises approach, this book will give you more along those lines, plus some new insights that will increase your ability to relate with the Holy Spirit day by day.
