## CLOUD COMPUTING PROTECTED: SECURITY ASSESSMENT HANDBOOK

Recursive, Limited. Paperback. Condition: New. 412 pages. Dimensions: 9.6in. x 7.4in. x 1.2in. Cloud Computing Protected describes the most important security challenges that organizations face as they seek to adopt public cloud services and implement their own cloud-based infrastructure. There is no question that these emerging technologies introduce new risks: Virtualization hinders monitoring and can lead to server sprawl. Multi-tenancy exposes risks of data leakage to co-tenants. Outsourcing reduces both control and visibility over services and data. Internet service delivery increases...

### Reviews

*This publication might be well worth a read, and much better than other. It really is simplified but excitement inside the 50 % of the book. You will not feel monotony at whenever you want of the time (that's what catalogues are for concerning when you check with me).*

-- **Imogene Bergstrom**

*This publication is wonderful. It normally is not going to expense too much. Its been printed in an extremely straightforward way in fact it is merely following i finished reading this publication where actually transformed me, modify the way i really believe.*

-- **Russell Adams DDS**
