These include fraudulent manipulations of passports, terrorist calling card indicators, abuse of a lax Saudi visa adjudication process, and a solid understanding of how to acquire immigration benefits such as a change of status from tourist to student, or a tourist extension of stay. We also discuss how one 9 11 pilot abused the vacuum of information between the State Department consular officers responsible for adjudicating information and immigration benefit application information, a loophole largely closed today with the Student and Exchange Visitor Information System ( SEVIS ). Another pilot absconded from the immigration benefits system altogether, never seeking to change his tourist status to student despite attaining his pilots license while in the United States. Two other pilots sought to change...
