BROOKLYN KNIGHT

Audible Studios on Brilliance, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Professor Piers Knight is an esteemed curator at the Brooklyn Museum and is regarded by many on the staff as a revered institution of his own if not an outright curiosity. Knight's portfolio includes lost civilizations; arcane cultures, languages, and belief; and more than a little bit of the history of magic and mysticism. What his contemporaries don't know is that in addition to being a scholar of all things ancient he is schooled in the uses of magical artifacts, the teachings of forgotten deities, and the threats of unseen dangers. If a mysterious object surfaces, Professor Knight makes it his job to figure it out and make sure it stays out of dangerous hands. A contemporary on an expedition in the Middle East calls Knight's attention to a mysterious object in the collection of the Brooklyn Museum, just before it becomes the target of a sorcerous attack that leads to a siege on a local precinct house by a fire elemental. What looks like an ordinary inscribed stone may unlock an otherworldly Armageddon that certain dark powers are all too eager to bring about and only Piers Knight stands in their way.
