

The Living and the Dead (Paperback)

Filesize: 8.6 MB

Reviews

Very useful to all category of men and women. I actually have study and i also am certain that i am going to going to read through again once more down the road. Its been written in an exceptionally simple way and is particularly only soon after i finished reading this publication by which basically altered me, modify the way in my opinion.

Watkins Media, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. The Living and the Dead examines the boundaries between the worlds of life and death. The text draws upon philosophy, ethnography, literature and natural science to suggest that life and death are best understood not in opposition, but as continuous tendencies acting upon one another. Austin Locke argues that the failure to give nuanced consideration to the connections between the living and nonliving devalues both life and death. In doing so, he suggests that our ability to respond to the challenges of environmental degradation, technological advancement, and the dominance of economic logic depend in part on more fluid understandings of the relationship between life and death.
