Amazon Publishing, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Writer Halley Brennan couldn't dream up a better love story than her own. Married for eleven years, she and her husband, Adam, are still living their happily ever after. They both know what they want--and don't want--for their life together. And that includes being child-free. But when one of them has a change of heart about wanting a baby, it brings their marriage and life plans into harsher focus. Devastated that this bombshell might destroy their relationship, Halley finds comfort in her closest friends: Nina, who's finally pregnant after years of trying; her sister, Charlotte, an overwhelmed mother of three; and Marian, a successful businesswoman who regrets letting go of her one true love. Now, with their guidance and support, Halley begins a painful journey of self-discovery. As she searches her heart to make a life-changing decision for both herself and Adam, she realizes that someone is bound to get hurt. Will their perfect love be too great a sacrifice for everything her heart wants?.
