## PULL YOURSELF TOGETHER

BRILLIANCE AUDIO, United States, 2012. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. If you re feeling happy, just wait. There s bound to be a downside. These are just a few of the words Charlie Colostrum lives by, and he s seen enough downsides to know what he s talking about (losing his virginity the same day as the Challenger disaster really sets the tone). A fat slacker with bad skin, Charlie carefully crafts his image, sometimes draping a black cloak over his shoulders and donning a black hat (though he knows smoking a pipe would be overdoing it). He nonchalantly leaves a few books by Nietzsche on the table when friends drop by (though he prefers to read self-help manuals). The jobless, self-proclaimed wimp lives off the kindness--and financial contributions --of his family and spends his time compiling lists of personal rules, daydreaming about becoming a rock star, and scheming his way into bed with as many women as possible (though he s unable to emotionally connect with anyone). This satire from one of Austria s most celebrated contemporary novelists shows that life may not be exactly what you dreamed, but you ve just got to keep on stumbling.
